Lance,

Have you and the team met to discuss the review of the reports and the timeline for issuing SNL? We need a timeline for when all team members will have reviewed the report and sent any comments/questions to the contractor, revisions and for routing the SNL package (Special Notice letter, draft AOC and draft SOW.) I asked Mark and Carlos if July 11 was a doable date for issuing SNL and both agreed. Is the team ok with that date?

Thanks,

Lydia
